

Clyde has arrived!

We are so happy that Clyde has finally made his way to your doorstep. Now let the fun begin! We have lots of tutorials and projects planned for Clyde. Check back here in the coming weeks for some really cool ways to give Clyde more personality. In the meantime, get to know Clyde with our [Getting Started with Clyde](#) series and [Clyde's User's Manuals](#).

Sign up for our forum and share your plans for Clyde: fabule.com/forum/

For the adventurous, head over to GitHub and fork us!: <https://github.com/fabule/Clyde/>.

If you are having problems, we want to know! Email us at: support@fabule.com

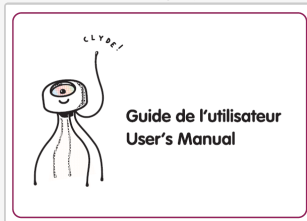

Getting Started with Clyde

We've put together a couple articles to get you started with Clyde. We will continue to add more articles in the coming weeks, so stay tuned!
